Sports Physical Consent Form

Sport: ________________________________

Consent to Participation in Physical Examination: This examination should be a standard medical examination according to the custom of the examining physician. Any remarkable or abnormal findings should be noted, emphasizing those to prevent participation in the athletic program. Some items of importance are noted. All categories should be examined.

To the parent or legal guardian of
Your child wishes to try out for a place on the team indicated above, representing this school under the supervision of an approved member of the school faculty. Although the staff members exercise every precaution against possible injury, parents are required under state law, to assume responsibility for consenting to participation and to risk the liability of injury. If your child has permission to engage in __________________________, please sign below indicating your approval and permission for this physical.
