

POINT PLEASANT BEACH SCHOOL DISTRICT

Point Pleasant Beach, New Jersey

Dear Parent/Guardian:

At the Point Pleasant Beach School District, we use a parent communication tool to allow parents to view student progress, grades, attendance, and schedule via the Internet. This parent portal is part of the student information system called **Genesis**. In order to create an account for this service, please provide the information requested below. Once the system is ready for general use, you will receive an email with your login information.

Because your login ID will be your email address, we cannot process applications without a valid email address. If you have other children in our school system, you can include their names so we can associate your account with their student information.

Please fill out this form completely and have your child turn it into his/her homeroom teacher on the first day of school.

PLEASE CIRCLE WHETHER THIS IS A NEW FORM OR CHANGE: NEW FORM CHANGE
